Schaffhausen, April 1, 2015

**To whom it may concern**

We herewith confirm that

Meretech s.r.o.  
Nad Školkou 237  
468 04 Jablonec nad Nisou

is the authorized service centre for the maintenance of our electrofusion and butt fusion machines in the Czech Republic.

Meretech s.r.o. is regularly trained and updated in the maintenance of our machines, last time on May 6 and 7, 2014.

Another complete training and re-certification for Meretech is planned for May 2015.

Kind regards,  
Georg Fischer Piping Systems (Switzerland) Ltd.
